

Breakfast Ride to Starz Café

September 8, 2018

September has started out to be a rainy month but with +60% change of rain in the afternoon a few brave riders decided to defy the odds and go for a breakfast ride to Starz Café in Starzville, TX. Meeting up at Kent Powersports were **Ed and Helen Smith, Rick and Pat Kendrick, and Tom Hendricks**. Meeting us at the café were **Larry and Elizabeth Read and Charlie and Janie McPhail**.

Good food and great conversation was enjoyed by all. We observed a few wets spots in the roads but after a good ride up and a scenic ride back down River Road it was an outstanding ride led by **Rick Kendrick** with no raindrops falling on us!

Write up and Photo by **Ed Smith**.
