

Chapter U Gathering
Chuy's Restaurant, Selma TX.
4/17/2019

The April Gathering of Chapter U was held on Wednesday evening, 4/17/2019 at Chuy's Restaurant in Selma TX. We had a good crowd on hand this month with 26 members and one guest. Chapter Directors **Ed & Helen Smith** kicked things off with a big "Welcome" and then the traditional Pledge of Allegiance before beginning the meeting.

Ed did a rundown of member Birthday's and Wedding Anniversaries for March and then it was time to start a new tradition by reviving an old one.

Pat Kendrick and Rhonda Barta. Ready for some Chapter U Fun.

Scott Hay will be presenting a Safety Topic at each Chapter Gathering starting this month. This month's topic was "What you should know about your Motorcycle Helmet". **Scott** brought a handout for everyone to read and went over what he thought were the most important parts of it. Safety is everything when we're out on our Goldwings and the monthly Safety Talk will be part of our gathering from here on out. So, if you have a suggestion for a subject that you think is important let **Scott** know so he can get it on the schedule.

Barbara Trammell gave us some information on a Disabled American Veterans ride that she is in charge of and that will be taking place on October 19th of this year. She gave us an extended run down of what will be happening when the ride takes place and promised to bring us more information as it becomes available. This will probably be a Chapter Ride when the time comes but mark your calendar now for this one.

Tim McGee let us know that his band, "Mid Life Crisis" will be playing at Leon Springs Grill this coming Saturday evening, 4/27/19, from 7:00 to 11:00 pm. Word is that **Tim** and his bandmates do a really good show, so make plans to attend this one as well.
