

Kent Powersports Block Party

May 4, 2019

Once again Chapter U cooked for Kent Powersports block party held on May 4, 2019. This is a great way for the chapter to give back to our main sponsor, raise a little cash from donations and let fellow riders know about Chapter U and GWRRA. It is always lots of fun and a great time to catch up with each other. The following pictures and captions are our beliefs what was being said!

Ed said "How is this for a Saturday date?"

Danny and Bob agreeing that they have solved the world's problems.

Steve is thinking I could play wack-a-mole.

I had to bite my tongue before I said something I might regret later.

Pat said "You are not getting any food until you clean your hands!"

Now that all of our wives are serving other people hamburgers and hotdogs, where is our food?

Maria is thinking "Roland can just get up and get his own food!"

These women are saying the same thing Maria is thinking! And Mike is just feeding his face!

Somebody got to win this stuff!

Write-up and pictures by **Ed Smith**.
